

ATTHOS
comex

The logo consists of the word "ATTHOS" in a bold, sans-serif font. The letters "A", "H", and "S" are white, while the two "T"s are a vibrant blue. The letter "O" is replaced by a blue globe showing the Americas. Below "ATTHOS" is the word "comex" in a smaller, white, lowercase sans-serif font. The background is a dark blue gradient with a faint, larger-scale globe and a network of white nodes connected by thin lines.

OUR VISION

Improve the competitiveness of our customers, offering intelligent logistics and customs solutions in their Foreign Trade operations.

OUR MISSION

Providing state of the art technology tools and advanced foreign trade services, combined with a skilled and motivated team to deliver the best results in the practice of international trade operations.

OUR VALUES

RELIABILITY - We value ethics, transparency, honesty, integrity, and financial strength.

PEOPLE - We don't invest in businesses; we do invest in people.

JOY AND POSITIVITY - We direct our energy to both, expanding it to the entire company.

HUMILITY - We know we don't know.

GRATITUDE - We are grateful for small victories and for the people.

INTERNATIONAL TRADE CONSULTING

Systematization of customs logistics and support for the company's international projects, finding the best logistical cost and the best performance in the work with foreign trade players.

Development of the logistics project, such as: company's registration in the foreign trade system, customs process and the delivery of the product at the place of destination, both for import and export.

INTERNATIONAL TRADE CONSULTING

- Drawback application in an intelligent, efficient and functional way.
- Viability study, claim and applicability of ex-tariff, with agility and effectiveness of results.
- Development, execution and monitoring of special regime projects, such as used machines, trade shows, etc.
- Performance with an experienced team in the foreign trade market, prepared to operate in the most varied situations of customs logistics.

CUSTOMS CLEARANCE

- Clearance experience in the most different products, such as drinks, food, wood, machines etc.

- Strong experience in import licenses, along with Brazilian regulation agencies such as: Decex, Inmetro, Anvisa, Mapa, and others.

- Issuance of import customs declaration covered by special regimes or atypical situations, in the customs inspections.

- Export management in all regimes and modes.

INTERNATIONAL TRANSPORT

- Reliable partnerships in order to role as an intervener in cargo transportation, with the best logistic options in air, sea and road modes.

- Hubs and offices placed in the biggest Brazilian trade partners such as the United States, China, Argentina and Europe.

- International insurance for protection and safety of goods.

INTEGRATED SOLUTIONS

Connection between exporter (seller) and importer (buyer), held by the most efficient customs and logistics partners overseas.

MARCOS GATO

CEO · Chief Executive Officer

“I started my career in 2004 in the customs clearance area, and was promoted to Coordinator after 6 years. In this role I had the opportunity to gain specialized knowledge and work with a team developing and participating in several different projects which helped me broad my experience in many areas of International Trading. In 2014 I started getting involved in customs logistics and international freight forwarding, which helped me further my experience in the foreign trade industry.”

JUNIOR CAMARGO

BUSINESS DIRECTOR

“I believe everyone can offer a service, however experience and knowledge is what defines you. After several years in the industry I realize such importance and how actively participating in the field is the key to make all the difference! Atthos’ team with its proactivity and availability will guide you throughout the whole process and will be your ally with all foreign trade operations.

Join us in this journey of growth, development, and new horizons!”

THANK YOU!
